1. Mr. Walsh stated that in light of the recent experience with NSSM 190, we will tighten up our schedule for NSSM responses to insure that we get the response to the DCI for signature at least 24 hours before the due date.

2. Mr. Walsh distributed the DDI memorandum commenting on the recent MAGID paper on service and production unit relationships.

3. George Carver has announced the selection of [redacted]
[redacted] to be the new NIO for Economic
Matters.

25X1

4. Mr. Proctor briefly recapped the new parking space allocation system. In effect, car pools of three or more will be assigned lane spaces by the Office of Logistics; the Directorate will allocate some 80 reserved lane spaces to individuals in super-grade positions, handicapped persons, and others. Each office will receive some lane permits to allocate as they see fit.

5. [redacted] reports that the preliminary assessment on the latest mission will be ready at OOB Friday, 8 March.
